

***New Life GOES TO CAMP!!  
August 19 -August 22, 2026***

New Life is going to camp! For the third year in a row we're all invited to join with others for a 4-day retreat at Camp Koinonia, near Parry Sound. Hopefully this year will be even bigger and better than the last. The Camp has offered us the entire site, all the cabin, full access to the canoes, kayaks, recreation halls, etc from Wednesday Aug 19 - Saturday August 22.

'This will be an amazing time to gather "under the big blue sky' to enjoy beauty, friendships, fun, while deepening our appreciation & understanding of our faith.

The costs per person, all-inclusive, are listed below.

Families or married couples will have cabins to themselves. Individuals will bunk with friends and 'new friends'

Some may prefer to bring their own tents, there is ample room for that option as well.
